- Feb 25 - Pink Shirt Day
Eagle Assembly 11am
Early Dismissal @ 12:00
- Mar 16-27 - MARCH BREAK!

Our school's lending library of winter clothes is looking for more waterproof gloves and mitts in all sizes, but especially for our older students. If you find any items you don't use anymore, please consider donating it to the school.

Thank you!

Happy New Year!

We're back in the swing of things and excited for all the fun coming up in January!

December was a busy month. We had our District Volleyball Tournament, and both our boys' and girls' teams did an excellent job. A big thank you to Mr. Pearle, Mrs. Dragseth, and Mr. Stopa for their coaching and support.

Our amazing PAC organized both a Wolf Tree Coffee fundraiser and a Purdy's fundraiser. We're so grateful to our PAC for their time and effort, and to the generous families who supported these initiatives. We also held our annual Christmas Concert, which showcased the many talents of our wonderful Tuc-el-Nuit students. Thank you to all our TeN staff for preparing the students for their performances, to Mr. Newson for being our DJ, and to Park Drive Church for generously providing their space.

January is shaping up to be fantastic! All classes will be heading out skating, basketball season has begun for both boys' and girls' teams, and Art Club, Garden Club, Knitting/Crochet Club, and Intramurals are all underway.

Thank you for your continued support—it's going to be an amazing 2026!

Sincerely, Shannon Miller

What's Happening at tēN

Kindergarten Registration

Children who will be 5 years old by December 31, 2026 may begin their first year of Full Day Kindergarten in September 2026.

Registration is open from January 12 to March 13, 2025.

Please contact the school directly to register your child. More information below!

Okanagan Similkameen SD53

KINDERGARTEN REGISTRATION

2026-2027 Registration for Children Born in 2021:
January 12 to March 13, 2026

- Children who will be five years old by December 31, 2026, may begin their first year of Kindergarten in September 2026. These will be children who were born in 2021.
- Please bring your child's birth certificate and medical card with you, as well as proof of residency. Should you require further details, please contact your local school.
- Parents may defer the entry of their child into Kindergarten for one year but registration must occur in the following school year.
- Early registration assists the district with plans for September 2026. Also, Kindergarten spaces in a school may be limited and placement is done on a first come, first serve basis.

PICK UP and DROP OFF

Please ensure your child(ren) use the designated crosswalk during morning drop-off and afternoon pick-up. Crossing anywhere else is unsafe. Traffic is heavy on both sides of the road, and drivers cannot see students who step out between vehicles. Using the crosswalk is essential for everyone's safety.

Is your child too sick for school?

Deciding when your child is too sick for school is not always an easy decision.

Children should not come to school if they are sick and unable to participate fully in routine activities. If you have questions and concerns about your child's health, talk with a qualified healthcare professional.

Keep children at home if they have:

- a fever, and keep them home for 24 hours after the fever is gone away without the help of medication (see reverse page on how to take a temperature).
- vomiting or diarrhea, and keep them home for 48 hours after the last episode.
- a severe sore throat.
- a rash with no known cause.
- a severe cough especially with other symptoms like a runny nose and headache.
- redness, swelling or discharge of the eyes, ears or skin, unless treated.
- been acting unwell and have little energy to join in school activities.

For questions about your child's health you can:

1. Dial 811 or go to HealthLinkBC.ca to speak with a:

- Registered Nurse 24 hours a day, every day of the year.
- Registered Dietitian every weekday from 9 a.m. to 5 p.m. PST. • Pharmacist every night from 5 p.m. to 9 a.m. PST every day of the year.
- 2. Contact an Urgent Care, Walk-in Clinic or Doctor's Office.
- See the reverse page on when to go to the emergency department.

Seasonal Respiratory Illness

In the fall and winter, we can expect to see more respiratory illness. This is an annual occurrence, but there are measures we can all take to prevent illness and manage symptoms while at home. Here is some information that may be helpful: [It's respiratory illness season.](#)

For more information on specific illnesses see: [A Quick Guide to Common Childhood Diseases](#)

Is it an Emergency?

Having a sick child can be stressful, but not all illnesses require a visit to the emergency department. Find the right place to go for care.

Emergency Department

- Difficulty breathing
- Fever in infants younger than 3 months
- Broken bone
- Serious or severe burn
- Vomiting or diarrhea with dehydration
- Sudden change in mental state
- Complicated or deep cut

Urgent Care, Walk-in Clinic or Doctor's Office

- Fever or flu
- Cough, cold, sore throat
- Earache
- Rash
- Pink eye
- Sprain or strain
- Referral to specialist

Information on when to bring your child to the Emergency Department
